NOTICE: The schedule of visits may be modified or canceled depending on the possible training sessions of the first team at the stadium or other events that may take place. If this should happen, it will be communicated in the club's official media.

Isla Mágica

95

Travel back to the 16th century and discover a world of magic, dreams and fun.

Discover Isla Mágica, Seville's Theme Park, a **stunning island of nature and architecture with seven exciting spaces set in the Age of Discoveries.**

In Isla Mágica you will take a wonderful journey through time that will surprise you with incredible attractions, great shows and amazing audiovisuals, as well as numerous shops and restaurants to suit everyone's tastes.

There are eight large themed areas: Seville, Puerto de Indias; Mundo Maya; Puerta de América; Amazonia; the Pirates' Den; the Fountain of Youth or Children's Island; El Dorado; and finally the Metropolis of Spain. The countless attractions of Isla Magica, such as the Jaguar, Anaconda, Orinoco Rapids, The Buccaneers, Ciklon and a long etcetera, will delight the whole family.

Agua Mágica is Seville Beach, an aquatic area for the whole family with a wave pool, slides, a real sandy beach... and lots of water!

Parque Acuático Guadalupe

At Guadalupe Seville you can find rides for all tastes and preferences. If you want to get your adrenaline pumping, take a ride on the Alta Emoción rides. **These rides are the most spectacular in the whole park and are ideal for getting your adrenaline pumping. We are talking about Turbolence, Black Hole and Kamikaze.**

The moderate rides are designed for fun lovers. We are talking about our "Speed Race", Zig Zag and Rapids, among many others. The traditional water attractions where you will enjoy the essence of Guadalupe Seville.

Children under the age of 10 will have a great time in the **Children's Zone**. For children under 10 to enjoy the experience of spending a day in a water park, the area has a varied selection of attractions to suit them.

Exploraterra

101

The Exploraterra y Nao Victoria 500 museum is the interpretation centre of the Age of Discoveries. Following the celebration of the anniversary of the First Round the World Voyage, **this place aims to promote and preserve the cultural heritage of the great Spanish and Portuguese geographical maritime expeditions of history.** With an exhibition room next to the Torre del Oro on the banks of the Guadalquivir River, **you can also visit a magnificent replica of the ship that made the first voyage around the world, the Nao Victoria.**

 Paseo Marqués de Contadero, 2

 Opening hours:

Marco Topo y los Giráldez

The adventure of Marco Topo and the Giráldez in Seville is an interactive tour around the Guadalquivir river.

The first location of the game is the Plaza de América, although the tests can be carried out in the order that is preferred. The objective of the game is to discover the most famous Seville and also the most unknown, both for families visiting the city with children and for school groups. It is played with the mobile phone and the entire route appears geolocated.
