

Seville's Gluten Free *Gastronomy*

Sevilla
Feeling LAND

Welcome to enjoy Seville Gluten Free

Seville is a city of cities, a synthesis of the world, it is what is seen and what is not seen. It experiences flavours of the land and also of the sea, it identifies itself in variety. It represents tradition and the avant-garde, it is the cradle of tapas and the artisan of the art of eating.

Seville gluten-free gastronomy is a project promoted by the Health Service of the Seville City Council that aims to create and develop a **network of catering establishments that offer a gluten-free gastronomic offer**
